

Installation Manual

Adobe Acrobat Studio

For Windows en Mac

Attention! Before you get started the following things are important:

- You will not receive a license code from Adobe.
- The membership will be linked to the email address you provided with your order. While placing your order please provide a **personal** email address. When you use the email address from your educational institution, this will cause complications.
- Your license is active as soon as your order is placed.
- The end date is equal to the order date plus one year.

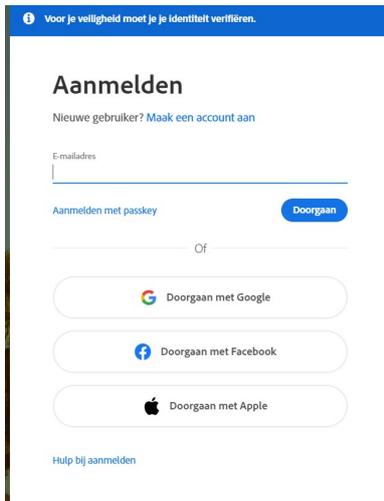

Step 1: Order Adobe Acrobat Pro on SURFspot. Within 15 minutes you will receive an email from us with your order confirmation.

Step 2: To activate your license, click on “Download” next to your order or go directly to the [Adobe Acrobat website](#).

Already have an Adobe-account?

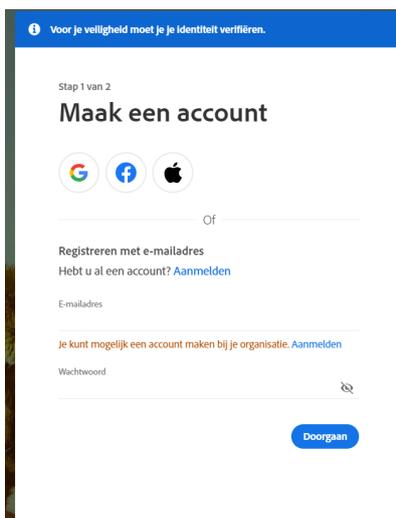

Sign off and click on “Get Started” to log in again. Enter your email address and password and click on “Continue”.

The screenshot shows the Adobe login page. At the top, a blue banner reads "Voor je veiligheid moet je je identiteit verifiëren." Below this, the heading "Aanmelden" is displayed. A sub-heading asks "Nieuwe gebruiker? Maak een account aan". There is an input field for "E-mailadres". Below the input field, there is a "Doorgaan" button. Underneath, there is a section for social login with "Of" in the center, and three buttons: "Doorgaan met Google", "Doorgaan met Facebook", and "Doorgaan met Apple". At the bottom left, there is a link "Hulp bij aanmelden".

Don't have an Adobe account yet?

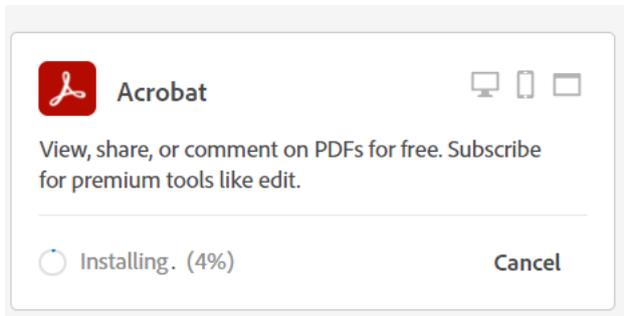

Enter your email address and password and click on “Continue”.

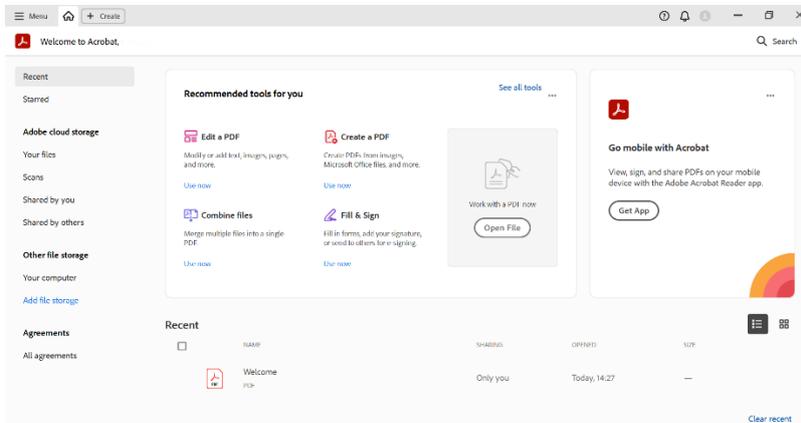

The screenshot shows the Adobe account creation page. At the top, a blue banner reads "Voor je veiligheid moet je je identiteit verifiëren." Below this, it says "Stap 1 van 2" and "Maak een account". There are three social login options: Google, Facebook, and Apple. Below these, there is a section for "Registreren met e-mailadres" with a link "Aanmelden" for existing users. There are input fields for "E-mailadres" and "Wachtwoord". At the bottom right, there is a "Doorgaan" button.

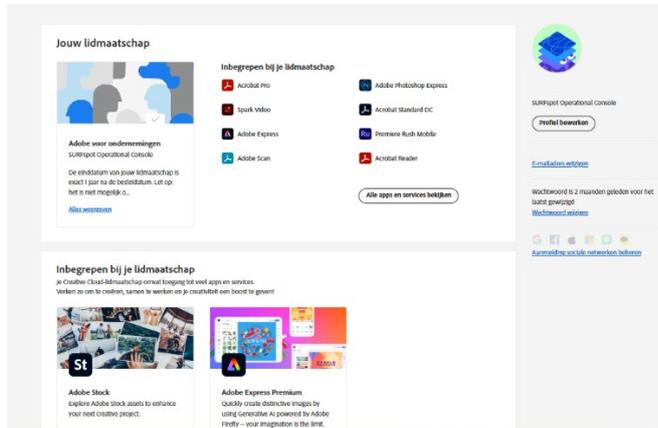

Step 5: The app will now download. If you have the Adobe Creative Cloud app, Acrobat will be installed through the Creative Cloud app. Otherwise, the app will be installed through your browser.

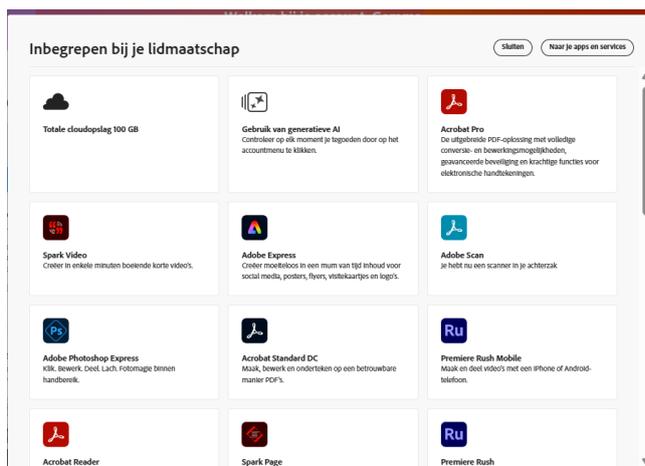

Step 6: After the app is installed it will open automatically. You can now get started with Adobe Acrobat Pro!

You can find your membership under Adobe for Entreprises – SURFspot Operational Console. This is your current membership. Your membership can be found under the “Overview” section when you go to the [Adobe website](#).

Step 7: When you click on “See all apps and services”, you will see all the apps that are included in your license.

Step 8: Click on “Go to apps and services”, you can also use this page to install the apps.
