Step 2:

The .zip file will start downloading, this may take a while.

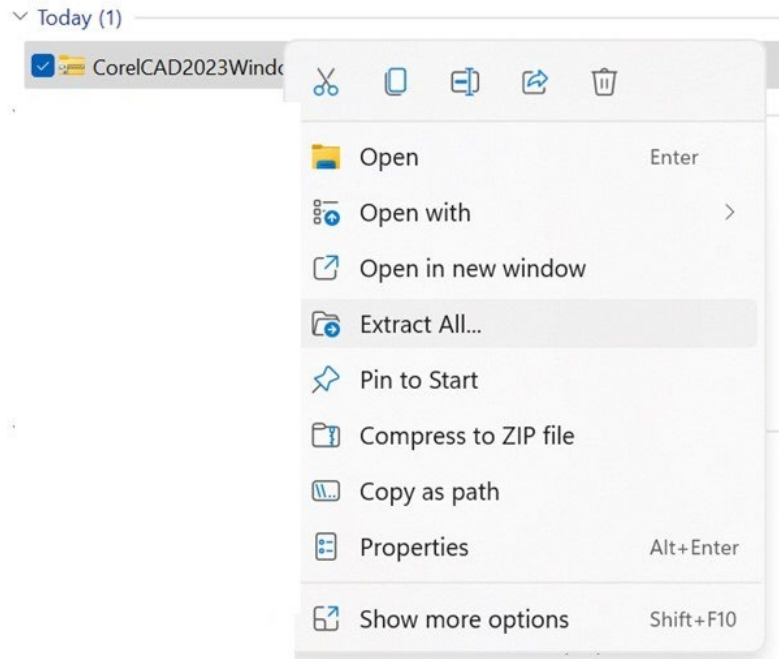

**Step 3:**

Click on 'Show in folder'.

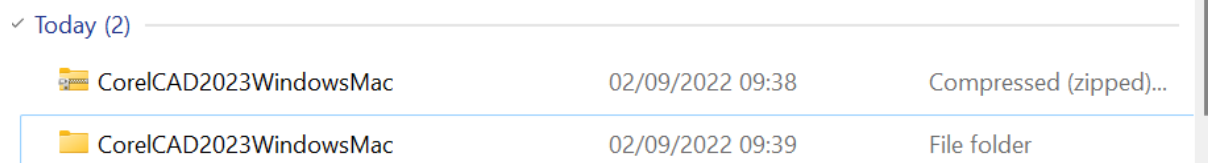

Step 4:

Extract the .zip file by selecting the file and clicking the right mouse button. Click on 'Extract All'.

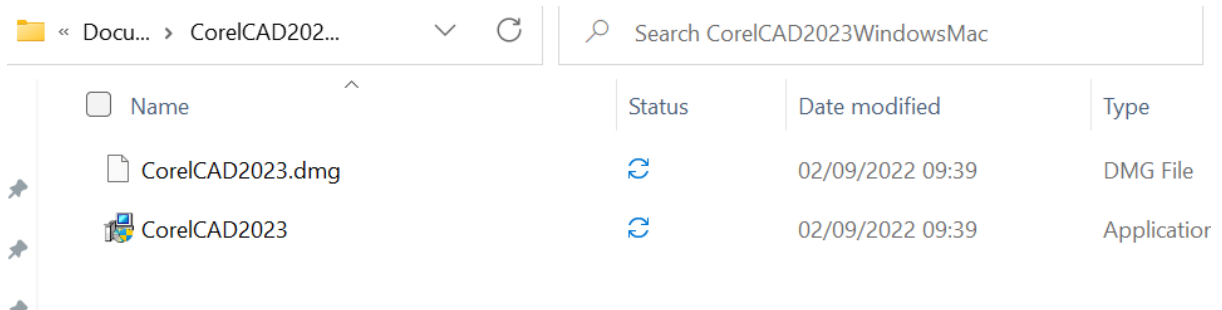

**Step 5:**

The .zip file will extract in a folder. Open this folder (do **not** open the .zip file).

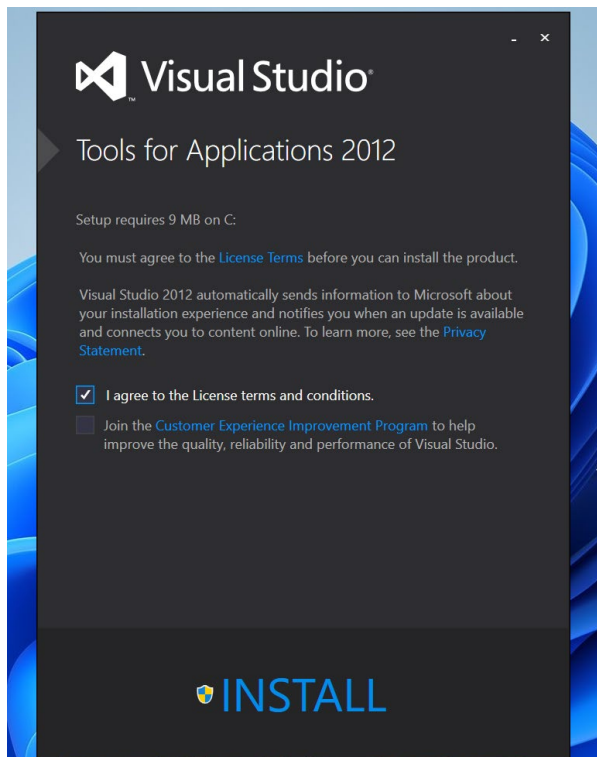

Step 6:

Choose the right file for your system. For Windows this will be the second file (the .exe file).

**Step 7:**

The installation screen for Visual Studio will now open. Accept the terms and conditions and click on 'Install'.

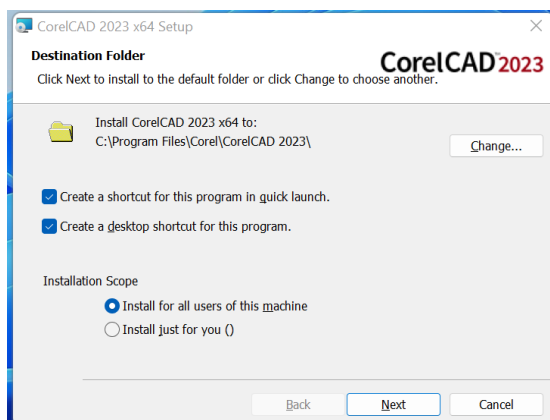

Step 8:

You will get a notification that shows the setup was succesful. Click on 'close' to close this notification.

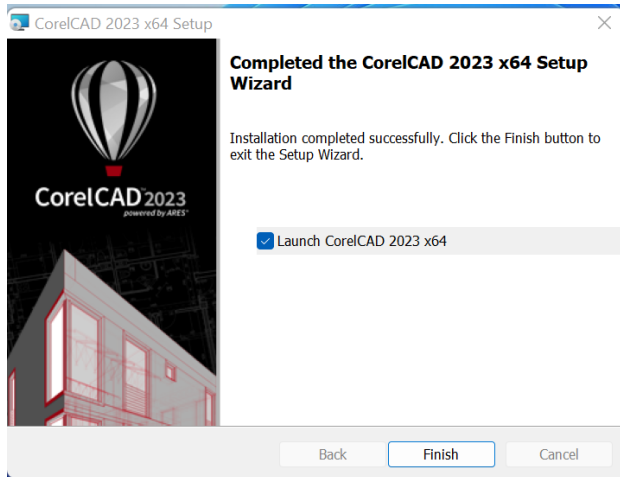

**Step 9:**

The setup for CorelCAD 2023 will start. Choose the folder you want to use, select any shortcuts you want to make and click on 'Next'.

Step 10:

CorelCAD 2023 will now install. When the installation is complete, click 'Finish'. CorelCAD 2023 will now open.

**Step 11:**

You will now have to activate your product. Click 'Activate'.

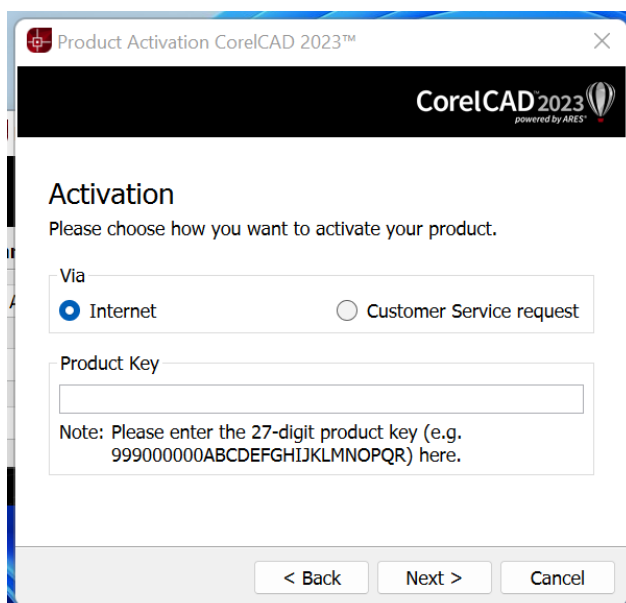

Step 12:

In order to activate your license, choose the option 'Activate'. **Do not** choose the option 'Enter license key'.

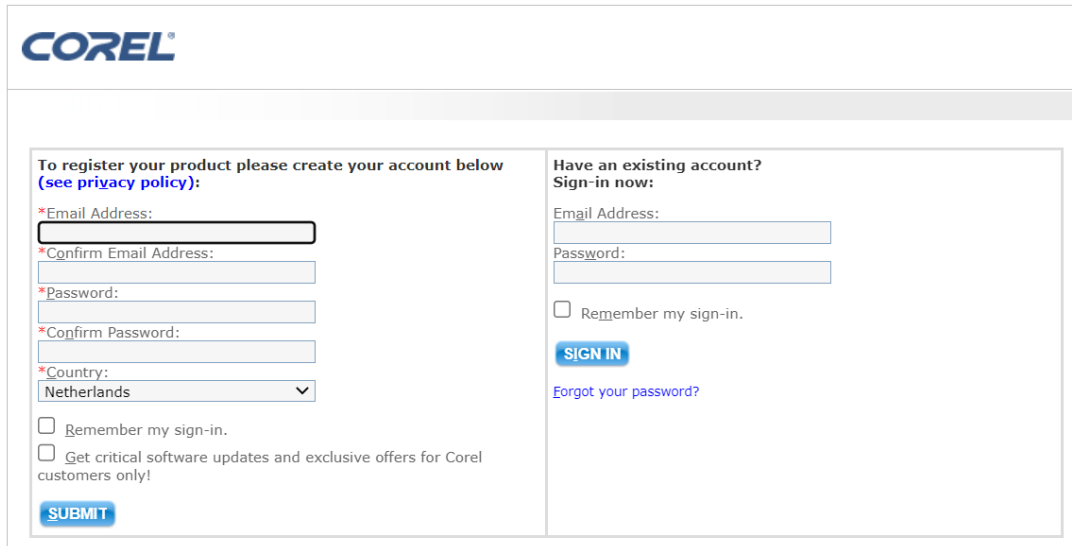

**Step 13:**

Choose the option 'Internet' and for 'Product key' enter the license code you received with your order. You can find the license code in your e-mail or in your account under 'Orders'.

Step 14:

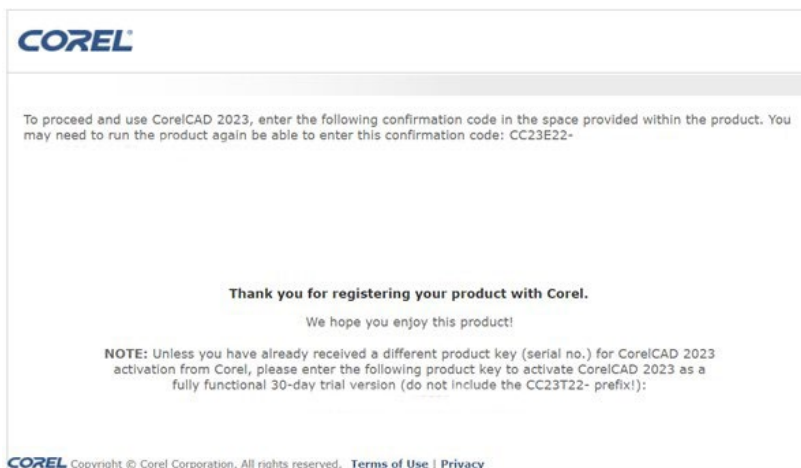

If you do not have one yet, create a Corel account by filling in the required data and clicking 'Submit'.

The screenshot shows the Corel website's account creation and sign-in interface. The Corel logo is at the top left. The main content area is divided into two columns. The left column is for new account creation, titled 'To register your product please create your account below (see privacy policy):'. It contains input fields for Email Address, Confirm Email Address, Password, Confirm Password, and Country (a dropdown menu currently showing 'Netherlands'). There are checkboxes for 'Remember my sign-in.' and 'Get critical software updates and exclusive offers for Corel customers only!'. A blue 'SUBMIT' button is at the bottom. The right column is for existing accounts, titled 'Have an existing account? Sign-in now:'. It contains input fields for Email Address and Password, a 'Remember my sign-in.' checkbox, a blue 'SIGN IN' button, and a link for 'Forgot your password?'.

Step 15:

You will now get a notification saying your product has been registered correctly. You do **not** have to fill in the code that is shown on this page. This is a code for a free trial. The full version is already activated.

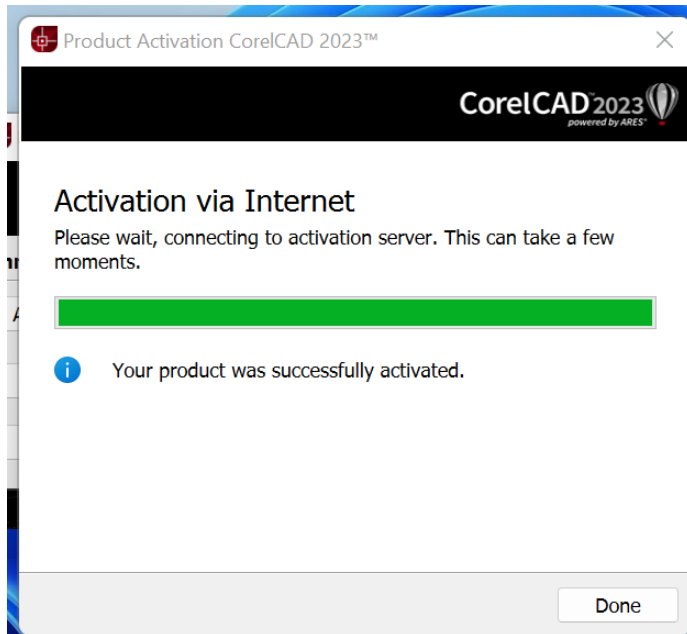

The screenshot shows the Corel website's confirmation page. The Corel logo is at the top left. The main content area has a heading 'Thank you for registering your product with Corel.' followed by 'We hope you enjoy this product!'. Below this is a 'NOTE' stating: 'Unless you have already received a different product key (serial no.) for CorelCAD 2023 activation from Corel, please enter the following product key to activate CorelCAD 2023 as a fully functional 30-day trial version (do not include the CC23T22- prefix!):'. At the bottom, there is a footer with the Corel logo, 'Copyright © Corel Corporation. All rights reserved.', and links for 'Terms of Use' and 'Privacy'.

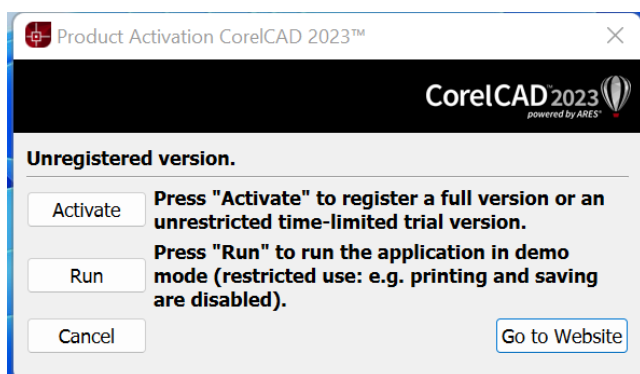

Step 16:

You will now get a notification saying your product has been successfully activated. Click 'Done'.

**Step 17:**

You will now get the same screen with the options 'Activate', 'Run', and 'Cancel', except now it will say 'Press "Run" to run the application'. Click 'Run'.

Step 18:

CorelCAD 2023 will now open. Read the terms and conditions and click 'Accept'. You have now successfully finished the CorelCAD 2023 setup.
