

**Please pay attention:** If you want to reinstall the software at a later time, you can follow the same steps. You can also find your license code in your Corel account. If you experience any problems with your download link or license code, you can contact Corel using this link.

**Step 1:** Download your order by going to "Orders" in your account and clicking "Download". You can find your code under "Show serialcode".

Corel Painter 2023	2 Download	Verzonden
	S Toon licentie code	

**Step 2:** The installation file will now download. Double click on the file as soon as it has finished downloading.

**Step 3:** The downloaded file is a .zip file, which must first be extracted. Click with your right mouse button on the downloaded file and choose "Extract All...".

**Step 4**: Choose the location where you want to extract the file and choose, once you've selected the right folder, "Extract".

**Step 5:** The folder with the extracted files will now open. This folder contains the installation files for both Mac and Windows. For installation on a Windows device, you can double-click the bottom file, where you can see "Application" in the "Type" column.
