Installation manual

Attention: If you want to reinstall the software at a later time, you can use the same steps. You can also find your license code in your Corel account. If you experience any trouble with the downloadlink or the license code, you can contact Corel at https://www.videostudiopro.com/en/support/.

Step 1: Download your order. You can find your order under "Orders" in your account. This is also where you can find your license code.
