Step 7: In the next field you can fill in the code you were given when you placed your order. You can find this code in your account at "Orders" under "Show serial code". Then, click on "Submit". Your time will automatically be added to the free 10 minutes. **Attention**: if you have already used the free 10 minutes once, you can't use them again. In that case you will only see the minutes in your account that you purchased.
